The main illustration shows a man in a red jacket and yellow pants riding a grey bicycle. A young boy in a red jacket and blue pants is standing next to a yellow bicycle. Several colored squares are overlaid on the scene: a red square on the boy's jacket, a blue square on the front wheel of the yellow bicycle, a yellow square on the front wheel of the grey bicycle, a green square on the man's jacket, a white square on the handlebars of the grey bicycle, and a black square on the man's pants. To the right, a vertical column of seven smaller images shows close-ups of bicycle parts: a hand on a handlebar, a headlight, a wheel, a tire, a hand on a handlebar, and a bicycle frame.
